Spl Draft order urgent. 25.2.43 308/ 25.2.4

Sir,

Subject: Government Silk Filatures -Temporary posts - Continuance - Requesting.

I inspected the Government Silk Filatures during under construction at Kollegal on the 15th February 1943 and found the work being pushed through. Action is also being taken in connection with the construction of a channel from the river Cauvery to the Filature site with necessary aqueducts. The completion of all items of work will take some time. The services of the Special Engineers are therefore required beyond February 1943.

I request that Government will be pleased to sanction the continuance of the Special Engineer, and Special Supervisor with their peons and the Accountant till 31st May 1943 or till the completion of work, whichever is earlier. Particulars regarding the Government order creating the several temporary posts etc. are as below:-
